Response to 3/8/5 Office Action

Commissioner of Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

This letter is in response to Office Action mailed 03/08/2005. All claims were rejected based on grounds of judicially created doctrine of double patenting. Examiner stated that this rejection could be cured by a timely filed terminal disclaimer. The terminal disclaimer and the required fee are enclosed with this letter. I have also enclosed a revocation of power of attorney and a substitute power of attorney signed by the president of the Assignee of the invention.

No other grounds for rejection were cited. Claims 1 through 33 are pending in this application. Therefore, Applicants request that all outstanding claims (namely Claims 1 through 33) be allowed and the patent be allowed to issue.

Respectively submitted,

John R. Ross
